SUMMARY

Motivated Master’s student in Urban Studies at Malmö University with experience in data analysis, qualitative research, and project management. Proficient in tools like QGIS, STATA, and Microsoft Office Suite, with a proven ability to deliver insights for urban development projects. Strong advocate for diversity, equity, and inclusion (DEI) principles, with practical experience in applying Corporate Sustainability Reporting Directive (CSRD) standards. Successfully led projects aimed at fostering inclusive environments and sustainable solutions, including energy efficiency initiatives in Sub-Saharan Africa. Demonstrated ability to work collaboratively with diverse teams, utilizing a proactive approach to problem-solving and innovation. Seeking opportunities to apply analytical and research skills in a technology-driven environment committed to social justice and sustainability.

PROFESSIONAL EXPERIENCE

Research Intern – Urban Business and Development

Malmö University, Malmö, Sweden

Sep 2024 – Jan 2025

- Conducted qualitative research and data analysis on topics related to economic geography, business administration, and urban development challenges.
- Applied theoretical knowledge to practical research settings, with a focus on housing affordability, social exclusion, and gentrification processes.
- Prepared comprehensive reports and presentations on research findings, emphasizing actionable insights and the importance of diversity, equity, and inclusion (DEI) principles.

LANGUAGE

- Swedish (Beginner)
- English (Fluent)
- Georgian (Native)
- Russian (Native)

PROFESSIONAL EXPERIENCE

Client Administrator

Estia Hand-Made Art, Tbilisi, Georgia Aug 2020 – Aug 2023

- Managed supplier relationships, optimizing inventory and increasing customer satisfaction by 35%.
- Coordinated promotional campaigns, driving sales growth and strengthening client engagement.
- Implemented process improvements to enhance operational efficiency and reduce stockouts.
- Developed and maintained strong client relationships through effective communication and support.

Transcriber

Malmö University, Malmö, Sweden Oct 2023 – Dec 2023

- Transcribed audio materials with a 98% accuracy rate, adhering to client-specific formatting guidelines.
- Provided administrative support for research projects, ensuring seamless communication and workflow.

PROJECTS AND ACTIVITIES

Hackathon: Renewable Energy for Rural Communities

Collaborated on designing a renewable energy solution that combined solar panels and biogas for a Sub-Saharan African village. This project emphasized the importance of applying Corporate Sustainability Reporting Directive (CSRD) standards and diversity, equity, and inclusion (DEI) principles.

Stormathon Workshop

Participated in a cross-disciplinary workshop addressing challenges in urban mobility and planning. Demonstrated technical and project management skills in a fast-paced, team-oriented environment.
